Tickets Going Fast for 'Savior of the World,' Sacred Musical Drama Staged by Local Congregation

The Church of Jesus Christ of Latter-day Saints - Laguna Niguel California Stake will be presenting a sacred musical drama and testimony of Jesus Christ and His divine mission as the Savior and Redeemer of the world. The production is entitled "Savior of the World". The first act, "Savior of the World: His Birth," depicts the events leading up to the Nativity, including stories of Mary & Joseph and the shepherds of Bethlehem. The second act, "Savior of the World: His Resurrection," begins with Christ's burial and recounts the visitations of the resurrected Savior to Mary Magdalene at the garden tomb, to the Apostles in the upper room and by the Sea of Galilee. The production closes with the Savior's charge to take the gospel to the entire world and the joyous anticipation of His millennial return.

"We're very excited to present Savior of the World. This will be the shows debut in South Orange County. It's a production that depicts the two most well-known biblical events about Jesus Christ—his birth and his resurrection. It brings to life many of the individuals recorded in the Bible and portrays their actions and feelings as they come to witness these two great Christian miracles" stated Thomas E. Miller, First Counselor in the Laguna Niguel Stake Presidency.

The Stake held open auditions and has cast both members of the church as well as non-members. There are over 100 performers in the cast along with a full orchestra.

"Anyone who wants to feel the sacred spirit of Christmas and remember why it is celebrated should come to the production. It's a wonderfully unique production. Members of all faiths are encouraged to come and enjoy the performance. It is suggested that the performance be best enjoyed by guests 8 years old and above" stated Thomas Miller.

Performance dates are December 6, 7, 8, 13, 14 and 15. Evening performances are at 7:00 pm and there are 2:00 pm matinees on Saturdays. The performances will be held in Cultural Center located within the Laguna Niguel Stake Center located at 22851 Aliso Creek Road in Aliso Viejo, 92656.

Tickets are currently on sale and may be ordered online at www.sotwtickets.com. Tickets are \$10.00 each plus a small handling fee. The total cost of every ticket is being used to defray production expenses. For additional information call 866-394-5012.
